### **About the journal:**

*The criminal law journal CRIMINAL LAW NEWS was created by the editor in September 2008, when its first issue was inaugurated. It has completed its first year. CRIMINAL LAW NEWS was launched as a monthly journal.*

*CRIMINAL LAW NEWS is not traditionally refereed by an editorial board but before publication of each issue, the contents are read and approved by experts in the field. The objective of the CRIMINAL LAW NEWS is to provide a platform for students, practicing managers, researchers and professionals in the field of criminal law and a place to share their thoughts, experiences and expertise. It is a forum for the publication of good quality research, analysis, discussion and opinion. Experts are invited to publish their articles, research notes, reports and comments focus on the application of existing and potential research in this arena. Papers/articles for the journal are also invited from practitioners in criminal law, consultants, academicians & research scholars in the United Kingdom and abroad.*
